

HAP B-HANGER MEDIUM

Rounded edges for safe installation. No sharp surfaces.

Provides a gap between the mounting surface and the pipe.

Can be used in a vertical or horizontal installations.

Durable power coated finish for indoor or outside applications.

Tempered spring steel allows pipes to easily snap into the bracket during installation.

Fast and easy installation. Installs with two screws using a cordless drill/driver.

KEEP OUT OF REACH OF CHILDREN.

Common Applications

HAP System pipe brackets are designed to hold & protect pipes securely and provide protection from nails or screws penetration.

Contact HAP System for applications not specifically referenced above.
