| Outside wall                | HAP Hanger can be mounted on any surface                             |  |

- Combines the pipe hanger and stud guard protection in one product.
- Durable powder coated finish for indoor or outdoor applications.
- Compatible with all types of pipe material.
- All HAP Hangers are concentric. For jobs that require pipe size reduction, pipes are always on center.
- Tempered spring steel allows pipes to easily snap into the bracket during installation.
- Round edges for safe installation. No sharp edges.
- UPC IAPMO Listed
