

HAP BULLET

Innovation in Suspending Pipes

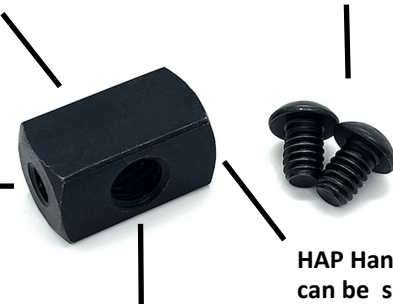

HAP BULLET PRODUCT FEATURES

HAP Bullets are made from cold rolled steel with Black Oxide finish.

Machine screws are provided to secure HAP Hangers.

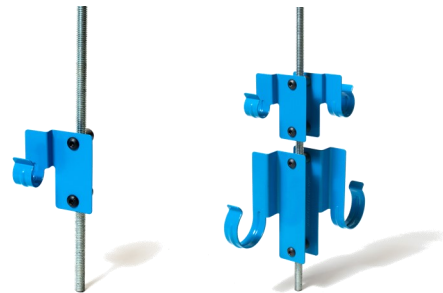

Use on 3/8" Threaded Rod with any HAP pipe hanger up to 2". Single or multiple HAP Hangers.

HAP Hangers are secured by threading the machine screws to the HAP Bullet.

HAP Bullets are threaded onto a 3/8" Threaded Rod.

HAP Hangers can be secured to both sides of the Hap Bullet.

HAP Bullet / Hanger assembly quickly spins up or down to desired height, then simply snap pipe onto the hanger.

Fits:

All Small and Medium HAP Hangers and HAP B-Hangers from 1/2" to 2".
