Height	3"
Metal Detection	Yes
Finish	Powder Coated
Inside wall Installation	Mark the hole center point 1-1/2" from edge of wood or metal stud
Outside wall	HAP Hanger can be mounted on any surface

- Combines the pipe hanger and stud guard protection in one product.
- Durable powder coated finish for indoor or outdoor applications.
- Compatible with all types of pipe material.
- All HAP Hangers are concentric. For jobs that require pipe size reduction, pipes are always on center.
- Tempered spring steel allows pipes to easily snap into the bracket during installation.
- Round edges for safe installation. No sharp edges.
- UPC – IAPMO Listed
